ACKNOWLEDGEMENT

I would like to express my deepest gratitude to all the individuals who have guided and supported me throughout the process of creating the **SellEase** project. Without their encouragement, feedback, and expertise, the project would not have been possible.

First and foremost, I would like to extend my heartfelt thanks to my project supervisor Mr. Akhilesh Nagar, for their unwavering guidance, insightful advice, and unshakeable encouragement throughout this journey. Their expertise and tolerance have been instrumental in setting the direction of this project.

I would also like to express my gratitude for the support of my family and friends who stood by me and believed in me during challenging times. Their support and encouragement continued to push me to work harder and stay focused.

Special credit to the development team, who made invaluable inputs and technical contribution towards the development of the **SellEase** platform. Their technical advice, problem-solving expertise, and dedication were responsible for the creation of this project.

I would also like to appreciate the beta testing users who participated and provided constructive feedback. The feedback has helped in refining the platform to such an extent that it meets the needs of real-world effectively
